Get the most out of your Hand in Hand sponsorship!

A few ideas to get you started...

Use your event tickets! Join us Thursday evening, April 25 at the Brookline Teen Center for Hand in Hand 2019 — build a care box, snap pictures, network with potential customers, and enjoy a night of service with a social twist.

Include your team. Creating a workplace culture that supports mental health is good for business and good for your employees. Let your team know that you're a proud 2019 Hand in Hand sponsor and encourage them to join you at the event.

Share on your social media. Create a post (The Brookline Center is happy to provide you with a photo to share!) highlighting why you choose to support women and girls' mental health. Tag us (@BrooklineCenter or use the hashtag #BrooklineWomen) so we can share it, too!

Meet new friends and potential partners. Hand in Hand brings together women from Brookline, Boston, Chestnut Hill, and surrounding neighborhoods. It also unites likeminded businesses that care about community. Take advantage of a new conversation starter to approach your fellow sponsors, making sure everyone in our community has access to mental health care.

Feel good knowing you're *doing good*. Each spring, Brookline Center clinicians are excited to deliver 200+ Hand in Hand care boxes to their clients, knowing that receiving this special gift brightens days during difficult times. Thank you for helping make these extra special moments possible!
