the brookline center
for COMMUNITY MENTAL HEALTH

January 10th, 2018

For Clients between the ages of 18-21,

For many years, The Brookline Center has received funding from the Department of Mental Health (DMH) to offset the cost of providing services to you. This funding pays for services that your insurance does not reimburse us for, including time spent talking or emailing with you or school personnel, phone calls, travel, consultation, attending school meetings, etc. The support we receive from DMH is vital to our ongoing operations as a Center.

In order to access these funds for you, we will need your authorization. With your permission, the Center will provide certain basic information to DMH about your physical and mental health. This information is kept confidential, and will not be released without your authorization.

We have enclosed two forms for you to sign. One allows us to send the information, and the other is a request for services. We have marked the places to sign with an "x." You can choose not to sign the forms, which will not impact the services you receive from the Center. However, signing the form will allow us as a Center to access this funding and assure that we can continue to offer high quality services.

Please ask your clinician to answer any questions you may have when you meet with him/her. You can also call me directly at (617) 277-8107 and I will be pleased to respond. Thank you for your assistance. We look forward to providing services to you.

Sincerely,

Hannah Scott, RN, MSN, PHMNP-BC
Director of Strategy & New Business Development

The Department of Mental Health (DMH) is required by state and federal law to maintain the privacy and security of your protected health information (PHI). PHI includes any identifiable information about your physical or mental health, the health care you receive, and the payment for your health care. Information about care that you received from other providers may also be included in your PHI.

DMH is required by law to provide you with this notice to tell you how it may use and disclose your PHI and to inform you of your privacy rights. DMH must follow the privacy practices as set forth in its most current Notice of Privacy Practices.

Changes to this Notice

DMH may change its privacy practices and the terms of this notice at any time. Changes will apply to PHI that DMH already has as well as PHI that DMH receives in the future. The most current privacy notice will be posted in DMH facilities and programs, on the DMH website (www.state.ma.us/dmh), and will be available on request. Every privacy notice will be dated.

How DMH MAY Use and Disclosure Your PHI

Your PHI will be used to assist in developing your treatment and/or service plan and to conduct periodic reviews and assessments. PHI may be disclosed to other health care professionals and providers to obtain prescriptions, lab work, consultations, and other items needed for your care. PHI will be disclosed to health care providers for the purposes of referring you for services and then for coordinating and providing the services you receive.

2. **For Payment** - DMH may use/disclose your PHI to bill and collect payment for your health care services. DMH may release portions of your PHI to the Medicaid or Medicare program or a third party payor to determine if they will make payment, to get prior approval, and to support any claim or bill.

3. **For Health Care Operations** - DMH may use/disclose PHI to support activities such as program planning, management and administrative activities, quality assurance, receiving and responding to complaints, compliance programs (e.g., Medicare), audits, training and credentialing of health care professionals, and certification and accreditation (e.g., The Joint Commission).

5. **Business Associates** - DMH may use/disclose PHI to contractors, agents and other business associates who need the information to assist DMH with obtaining payment or carrying out its business operations. If DMH discloses your PHI to a business associate, DMH will have a written contract with that business associate to ensure that it also protects your PHI.

6. **Family and Friends/Clergy** - DMH may disclose a limited amount of PHI for the following purposes:
   - **Clergy** – If you agree, verbally or otherwise, your religious affiliation may be disclosed to clergy.

Uses/Disclosures Requiring Written Authorization

You may cancel an authorization at any time, if you do so in writing. A cancellation will stop future uses/disclosures except to the extent DMH has already acted based upon your authorization.

Authorization is required for most uses and disclosures of psychotherapy notes (these are the notes that certain professional behavioral health providers maintain that record your appointments with them and are not stored in your medical record), certain substance use disorder information, HIV testing or test results, and certain genetic information even if disclosure is being made for treatment, payment, or health care operations purposes as described above.

Although the following types of uses/disclosures are not contemplated by DMH, we need to inform you that any use or disclosure of PHI for marketing that involves financial remuneration to DMH will require an authorization. Similarly, to sell PHI, DMH must obtain an authorization. DMH will not use or disclose your PHI for fundraising purposes.

- Request an accounting of disclosures (up to the past six years) which will identify, in accordance with applicable laws, certain other persons or organizations to which DMH disclosed your PHI and why. An accounting will not include disclosures that were: (1) made to you or your personal representative; (2) authorized or approved by you; (3) made for treatment, payment, and health care operations; and (4) some that were required by law to be made. Ordinarily, DMH will respond to your request within 60 days. DMH is not required to agree to such restriction, with the exception that if you, or someone on your behalf, pay for a service or health care item out-of-pocket in full, DMH will agree to not disclose PHI pertaining only to that service or item with your health plan for the purpose of payment or health care operation, unless DMH is otherwise required by law to disclose that PHI. **This request must be made in writing.**

The above requests may be made at or submitted to any DMH facility or office.
