About the Brookline Center

The Brookline Center for Community Mental Health is a leading provider of mental health care and social services for adults and children. The Brookline Center has long played an important role in expanding access to mental health care in our community and never has this been truer than in response to the dire need for care arising from the COVID pandemic.

Beyond our provision of high quality, affordable outpatient care, the Brookline Center creates and operates nationally recognized, innovative mental health programs through partnerships with schools, community agencies, and healthcare providers in Greater Boston, across Massachusetts and, increasingly, nationwide. In response to the ongoing crisis in mental health care access, the Center is poised for significant strategic growth in the coming years. For those with a passion for mental health, it's an exciting time to join our team.

We are actively interested in ensuring that the Brookline Center for Community Mental Health represents a range of experiences and backgrounds. Qualified candidates with diverse racial, cultural, multilingual, religious, class, and/or gender background, and experiences are strongly encouraged to apply.
