

Clinical Team Lead (BHA Program) & Outpatient Clinician, (Master's Level, LICSW)

The Brookline Center for Community Mental Health is a leading Massachusetts provider of mental health care and community-based social services; a sought-after placement for training clinicians; and a partner to more than 50 agencies working to improve the wellbeing of our community's most at-risk and vulnerable populations. The Brookline Center offers outstanding, affordable care to all who need us no matter their ability to pay, helping individuals, children, and families lead healthier, safer, and fuller lives while building a stronger community for all.

We are actively interested in ensuring that the Brookline Center for Community Mental Health represents a range of experiences and backgrounds. Qualified candidates with diverse racial, cultural, multilingual, religious, class, and/or gender background, and experiences are strongly encouraged to apply.

Position Summary

The Brookline Center for Community Mental Health is seeking a full-time salaried, independently licensed clinician to fill the role of half time Clinical Team Lead and half time Outpatient Clinician. The candidate would split their time providing outpatient psychotherapy to Center clients and responding to the clinical needs of residents living at the Brookline Housing Authority (BHA) providing assessments, short-term clinical interventions, consultation and care coordination when needed. The ideal candidate would have experience of working with individuals, families and diverse populations. In addition, the Clinical Team Lead would supervise the service coordinators of BHA providing guidance and direction related to housing, case management and clinical matters that may arise.

This is an excellent opportunity for a clinician who is looking for a collegial setting with wonderful co-workers and a broad set of related services. The Brookline Center has a strong commitment to training and professional development. The Clinical Team Lead and Outpatient Clinician would report to the Community Services Manager, receive supervision and can participate in a variety of seminars, lectures, and other professional development activities. This position also offers opportunities for professional growth.

Primary Responsibilities

- Provide short-term clinical interventions and diagnostic assessments with adults living at BHA on site or at The Brookline Center
- Collaborate with collateral contacts and other providers to coordinate care
- Complete all documentation as required in a timely manner
- Provide regular supervision and guidance to the BHA service coordinators
- Lead or co-lead psychoeducation groups for BHA community as needed
- Participate in meetings, teams, committees and/or other activities as appropriate
- Collect data related to service delivery as needed
- Provide intake and diagnostic assessments for assigned Outpatient clients of the Center
- Develop treatment plans in accordance with regulations and agency policy
- Attend professional development/in-service training

Qualifications

- Master's degree in Psychology, Education, Social Work, or a related clinical field
- Excellent interpersonal, organizational, and clinical writing skills
- Requirements: Master's level degree and LICSW licensure required. At least two years of experience providing individual or group psychotherapy to adults and supervisory experience preferred.
- The proven ability to work closely with an integrated team
- Bilingual/bicultural (Spanish, Cantonese, Mandarin, or Russian speaking preferred)

Hours and Benefits

This is a full-time, salaried position (40 hours total: 24 hours as Clinical Lead, 16 as an outpatient clinician with 65% time face-to-face client visits) Monday – Friday; may need to work one evening per week (no later than 7pm). The Brookline Center offers a supportive and stimulating work environment; professional growth opportunities; and a comprehensive benefits package that includes medical, dental and vision insurances, pre-tax savings and retirement plans, and generous paid time off. Additional compensation provided for clinicians providing multilingual services.
