

Psychiatric Nurse Practitioner – Outpatient (Benefitted-Fee-for-Service or Fee for Service)

The Brookline Center is known for providing high quality and accessible mental health care that centers the patient's experience. In response to today's mental health landscape, the Center is re-imagining its core work as the transformation of mental health care through the design, development and dissemination of mental health programs and services at the intersection of systems. While our outpatient clinic cares primarily for children and adults in Brookline and neighboring communities, much of the Center's work extends beyond Brookline and has a statewide, regional, and national impact.

If you are interested in shaping the future of mental health and ensuring that care is effective and equitable for all, we would love to meet you.

The Brookline Center seeks a Psychiatric Nurse Practitioner (PMHNP) with strong clinical skills to care for patients in the outpatient clinic setting and collaborate with multi-disciplinary team members. The position includes diagnostic evaluations, short- and long-term psychopharmacology services, and the option for psychotherapy. Care is delivered in our outpatient offices in Brookline, MA and well as via telehealth. All providers at the Brookline Center work in collaboration with colleagues and clinicians in a multi-disciplinary setting.

This is a fee for service position that could be negotiated as part or full time. A benefitted fee for service model is available. At least one evening per week until close (7pm) is required.

The Center believes that psychiatric care is a vital service in partnership with outpatient therapy and community support for clients with all levels of need. We value access to care and equitable treatment.

The Center offers dedicated time for multidisciplinary collaboration, weekly supervision with senior providers, opportunity to collaborate with and learn from peers within the psychiatry team and strong community partnerships to support the Center's clinicians and clients.

Key responsibilities:

- Diagnostic assessments to evaluate patients' psychiatric and medical needs
- Prescribe and monitor psychiatric medications in collaboration with Center physicians who are available for supervision
- Provide psycho-education, counseling, health promotion and preventive services
- Communicate as appropriate with patients' relatives, collateral contacts, and fellow professionals in the community to develop and implement treatment plans.
- Provide physical health screening and primary health care monitoring (e.g. weight, blood pressure) when appropriate
- Provide clinical consultation to peers and other clinicians working within the Brookline Center team

- Provide clear and thorough documentation, in a timely manner, and in accordance with the Center's policies.
- Participates in the Center's on call service rotation 2-3 times per year, (requirement of Benefitted Fee for Service Providers).
- Performs related duties as required.

Qualifications:

- Master's degree in Nursing (MSN) from an accredited educational institution is required
- Psychiatric Mental Health Nursing (PMHNP) certification is required
- Hold a valid DEA and MCSR
- Current licensure in the Commonwealth of Massachusetts as a Psychiatric Nurse Practitioner in good standing
- One-year post-degree inpatient and/or outpatient psychiatric nursing experience preferred
- Strong clinical and communication skills
- Experience with specialized patient populations (pediatric, geriatric, substance abuse disorders) is highly desirable
- Experience with severe mental illness (SMI) patients is highly desirable
- Ability to document in an electronic medical record system
- Ability to provide psychiatric care via telehealth
- Familiarity with Microsoft Office
- Demonstrated commitment to serving in a community setting and working with historically underserved populations

Hours and Location:

The Center's Operating Hours include: M-Th 8am-7:15pm, F 8am-5pm, (most) Saturdays 8:30-12:30pm
At least one evening required

Job Type: Fee for Service or Benefitted Fee for Service

Rates: Our fee for service models are based on billed services. On average, PNPs bill 0.75-1.25 units per 30 minute visit.

Compensation Structure	Minimum billable units per week	E/M Billable Unit (1.0) Rate	Therapy Direct Clinical Billable Unit (1.0) Rate	Saturday Billable Unit Rate	Rate for Orientation, Trainings, and Required Meetings
Fee for Service	Negotiable	\$71.75	\$61.75	\$90.00	\$61.75
Benefitted Fee for Service	34.125 E/M units/week	\$61.75 \$71.75 for units in excess of weekly minimum	\$51.75 \$61.75 for units in excess of weekly minimum	\$90.00	\$51.75

Work Location: Hybrid

The position is based in our outpatient office in Brookline and includes both virtual and in-person services.

Benefits for the Benefitted Fee for Service option

- Employer matched 403(b) Plan
- Health Insurance, Dental and Vision
- Healthcare FSA and Dependent Care FSA, and Health Savings Account
- Paid Family Medical Leave benefits
- Generous Vacation (58.5 units equivalent to 3 weeks first year, 78 units equivalent to 4 weeks 2nd year) Sick (58.5 units equivalent to 3 weeks) and Personal Time (15.6 units equivalent to 4 days)
- 12 Paid Holidays and 1 Floating Holiday
